[St Leonards Parents Association](#)

JOIN THE COMMITTEE

Being part of the Parent Association is very rewarding ;

- seeing children happy at fun events,
- raising money for our school wish list and charity
- helping build our school community.

But we cannot do this without help. For every successful event there is lots of work but as the saying goes many hands make light work.

Time commitment can vary from posting on social media, attending PA meetings or running an event.

Want to find out more please contact us on pastleonards@gmail.com and we can arrange a chat.
